### PROCESSING METHOD

The processing of your personal data is carried out by means of the operations indicated in art. 4 of the GDPR and precisely

Collection Consultation Extraction Direct contact Modification Deletion Storage Registration Processing Intersection Organization Use Profiling Selection Destruction

Your personal data are subject to both paper and electronic and/or automated processing. G.M.I. General Montaggi Industriali S.R.L. has adopted technical and organisational measures to prevent and limit the risk of 'data breach'. The Data Controller shall process personal data for the time necessary to fulfil the above purposes and in any case for no longer than 10 years from the termination of the relationship for Service Purposes and for no longer than 2 years from the collection of data for Marketing Purposes.

### ACCESS TO DATA

Your data may be made accessible for the purposes of Articles 2.A) and 2.B)

- to employees and collaborators of the Controller and the companies in their capacity as representatives of the processing;
- to third party companies or other entities (by way of example, credit institutions, professional firms, consultants, service companies) that perform outsourcing activities on behalf of the Controller, in their capacity as representatives of the processing.

### COMMUNICATION OF DATA

Without the need for your express consent and art. 6 letters b) and c) of the Data Controller may communicate your data for the purposes set out in art. 2. A) to supervisory bodies, judicial authorities, as well as to those subjects to whom communication is compulsory by law for the fulfilment of the aforementioned purposes.

These subjects will process the data in their capacity as autonomous data controllers. Your data will not be disseminated.

Your data may be subject to profiling, i.e. the collection and aggregation of data concerning you in order to make appropriate business decisions or to analyse or predict your personal preferences, behaviour and attitudes for business purposes. The profiling requires your consent. Failure to give consent does not normally affect the smooth development of the relationship under which your data is processed.

### DATA TRANSFER

Personal data are stored on servers located within the European Union. In any case, it is understood that the Data Controller may also move the servers outside the EU if necessary. In this case, the Data Controller assures as of now that the transfer of data will take place in compliance with the applicable legal provisions, subject to the stipulation of the clauses provided for by the European Union.

### NATURE OF THE PROVISION OF DATA AND CONSEQUENCES OF REFUSAL TO ANSWER

The provision of data for the purposes set out in point A is compulsory. In their absence, we will not be able to guarantee the provision of Services. On the other hand, the provision of data for the purposes referred to in point B is optional. You may therefore decide not to provide any data or to subsequently deny the possibility of processing data already provided: in this case, you will not be able to receive remote commercial communications relating to the Services offered by the Controller. He will, however, continue to be entitled to the Services referred to in point A. The data of the interested party that do not have to be retained for specific legal obligations will be deleted within 24 months.

### RIGHTS OF THE DATA SUBJECT

You may, at any time, exercise the following rights expressly recognised by the Regulation:

- You have the right to lodge a complaint with the national authority (Data Protection Authority) at any time if you consider that one of your rights has been violated
- You have the right to ensure that your data is always accurate and up-to-date and you may therefore at any time report or request that it be updated
- Ella has the right to revoke consent to the processing of the data if this is not prevented by legal provisions or the need to protect the rights of the Data Controller, including in court. In any case, the request for revocation gives rise to the right to restriction of processing.
- You have the right to access your data processed by the Controller by means of a written request, also in electronic form. It is essential that you are able to provide us with proof of your identity, if necessary by accessing our databases using credentials that can be uniquely linked to you. You are entitled to free access for one time only, whereas you may be charged a fee for subsequent requests. You are entitled to receive a reply within 30 days of your request. You have the right to have your data in a printable format.
- You have the right to have your data corrected and updated, and you may at any time request that your data be updated and corrected if you find that the data in our possession is out of date or incorrect. In order to ensure that your data is up to date, please inform us of any useful changes.
- You have the right to the deletion of data concerning you, provided that it is not data that the Data Controller must retain for specific legal obligations such as, for example, obligations arising from tax regulations, anti-money laundering or for the protection of the rights of the data controller in litigation.
- If you dispute the accuracy of your data, or the lawfulness of the processing, or the right of the Controller to delete your data, or if you object to the processing of your data and the Controller disputes your objection, you have the right to have your data stored but not processed except to the extent necessary to resolve the dispute concerning the data. -If the data controller changes or deletes all or part of your data, you have the right to be informed of this and to object to the change and deletion.
- You have the right to transfer your data - stored and processed electronically - to another operator, within the limits indicated in the Regulations, in such a way that it can be easily read and acquired by third parties. The data that Ella is entitled to transfer (portability) also include data deriving from the automatic observation of your activity through the Controller's IT services, such as searches and history of activities performed
- Ella has the right to oppose the processing of your data, profiling, the use of data for direct marketing, profiling for public interest or for scientific or historical or statistical research purposes.
- G.M.I. General Montaggi Industriali S.R.L. may, under certain circumstances, adopt automated procedures in order to take decisions concerning you and in particular to decide whether and under what conditions to conclude contracts directly or through third parties with you. In this case, you have the right to request that, before a binding decision is taken, your position is nevertheless examined by a human operator who carries out an assessment of the merits.
- G.M.I. General Montaggi Industriali S.R.L. may, under certain circumstances, process your data in order to communicate with you regarding commercial or informative or educational initiatives. In this case your consent must be explicit and separate from other forms of consent and you may revoke the consent given for this purpose at any time.
- You have the right to be consulted when assessing the security procedures for the processing and protection of your data.

### HOW TO EXERCISE YOUR RIGHTS

Your requests may be exercised by means of written communication to the Controller's address or to the above-mentioned e-mail address or, if provided, autonomously within the personal area made available electronically by means of a unique identifier.

The updated list of data processors and persons in charge of processing is kept at the Data Controller's head office.
